

Mary Kay Hostess Information

Thank you for being my Hostess. I am looking forward to working with you.

1. **Date:** _____

Time: _____

2. **Hostess Credit** - Inviting guests

For every guest you have in attendance, you will receive **\$10.00** credit for free Mary Kay Product. So if you have 4 friends attend, you will have $4 \times \$10.00 = \mathbf{\$40.00}$ in **free** product. But better than that, 6 friends attending will give you $6 \times \$10.00 = \mathbf{\$60.00}$ in **free** Mary Kay Product.

3. **Outside Orders**

You can pass your Mary Kay Look Book around to your friends, family, neighbors and co-workers, and you will receive credit of 10% of whatever they purchase. Just write their orders down on a piece of paper and decide what you would like to purchase for free. 10% credit of a \$100 order is another \$10.00 in free product, while 10% of a \$200 order is worth another \$20. So, \$60.00 credit for 6 guests and \$20 credit for outside orders = \$80 in free Mary Kay Product. You can shop for yourself or perhaps Christmas and Birthday presents for those you love.

4. **Company Literature**

Mary Kay may or may not be for you. Here are four of the many reasons women have become Mary Kay Beauty Consultants.

1. New consultants earn on average \$50 - \$100 or more per hour.
2. Some women are earning \$5,000, \$10,000, and \$20,000 a month or more.
3. Income Tax Benefits - because we are self-employed, we can legally deduct certain costs such as a percentage of all car and home expenses.
4. You have the opportunity to earn the use of free cars.
